BRAND ESSENCE - MADBOW VENTURES LIMITED

During this year we have worked extensively on our brand image and keeping that in mind we have created brand essence for our parent company **MADBOW**. Below is the MADBOW signature and use cases to use our LOGO at collateral, PR, social media or any other channel.

The form of the Madbow Symbol is based on a bow tie.

The Madbow Wordmark uses a custom-designed typeface and should not be altered.

Together, the Symbol and Wordmark create the Madbow Signature. The Signature forms the most significant feature of the Madbow product and corporate identity and should be used on all aspects of branded communication. The **Madbow Signature should never** be altered, tilted, distorted, manipulated or disassembled on any application.

Keep in mind that the minimum size in all print medium should be more than 1 inch.

In the initial stage of branding, whenever required, the URL of the website can be used. Care should be taken to ensure both the Madbow Signature and the URL are clearly visible and should be inside the 'CLEAR ZONE'.

Signature Clear Zones of MADBOW

The following is the clear zone rule for the Madbow Signature. In order to gain maximum visibility, the Madbow Signature should always appear with a minimum area of clear space around the logo. This area should be free of any type or graphic element. Using center-line height of the letters "m" "a" and "d" as the 'green arrow' line, the clear space is one green arrow area around the entire Signature. This rule applies to all versions of the Madbow Signature on all mediums.

MADBOW SIGNATURE COLOR

FULL COLOR WITH GRADIENT

Color is a powerful means of identification. Consistent use of our new Madbow Signature colors will help build visibility and recognition for Madbow and will set us apart from our competitors.

Across applications, every effort should be made to use the full-color Madbow Signature on a white background.

The descriptions below apply to all Madbow Signature formats.

SPOT COLOR

The spot color Signature uses **Pantone 193 C** for the letters 'MAD' and uses **Pantone Black C** for the word mark with the letters 'B & W'.

ONE COLOR SIGNATURE

Across applications, every effort should be made to use the full-color Madbow Signature with Gradient, on a white background.

However, in instances where only one color is available for printing, use the one-color options to the right depending on the surface, color or texture of the medium (e.g: Glass, embroidery etc.)

THE BOW

The Bow Symbol of the brand is one of the Signature that can be used when creative calls for it.

The tringular part of the bow should be transparent at all times.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MADBOW FASHION PRIVATE LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

GUPTA VARUNDEEP & CO

CHARTERED ACCOUNTANTS

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

The system of internal financial controls over financial reporting with regard to the documentation / processes at the Head Office in India in respect of the Indian Branch Office were not fully made available to us to enable us to determine if the Company has established adequate internal financial control over financial reporting at the aforesaid branch and whether such internal financial controls were operating effectively as at March 31, 2020.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Indian Branch Office and the disclaimer does not affect our opinion on the financial statements of the Company.

Opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified as at March 31, 2020:

The Company's internal control system for accurate determination of Contingent Liability in respect of Account payables was not operating effectively.

**GUPTA VARUNDEEP & CO**
CHARTERED ACCOUNTANTS

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Subject to the above, in our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 standalone financial statements of the Company, and the material weakness stated earlier does not affect our opinion on the standalone financial statements of the Company.

m) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are determined independently for each period presented.

n) Taxes on income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current tax

Current tax is measured at the amount expected to be paid to/ (recovered from) the taxation authorities, using the applicable tax rates and tax laws.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) if paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, will be considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred Tax

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are

recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

o) Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

p) Impairment of assets

The carrying values of assets / cash generating units at Balance Sheet date will be reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of re-valued assets. However, there is no impairment of assets during the year under audit.
